

Cereal Box Review

Activity Sheet

Using a real cereal box or sheets of paper, create a brand-new cereal inspired by Philharmonia Fantastique! There's a template available on page 2.

Step 1. Front of the cereal box: Create a name for the cereal that is related to the performance of Philharmonia Fantastique. Be sure that it sounds like a real cereal, and that it shares a bit of information about the concert. Try not to use the performance's exact title, here's an example:

Fruity Instruments – four fruit flavors, one for each section of the orchestra. They taste ok on their own but explode with tropical flavor when eaten together!

Step 2. Top of the cereal box: Include your full name, your grade and a rating for your new cereal between 1 to 5 stars (5 being the best)

Step 3. Left Side of the box: Summarize the performance and how your cereal was inspired by it in no more than eight sentences.

Step 4. Right Side of the box: List the nutritional facts of Philharmonia Fantastique.

What percentage of your recommended daily allowance (RDA) did it include, in several categories? Feel free to make up your own, but here are some examples to get you started:

- a. Humor
- b. Conflict
- c. Joy
- d. Adventure
- e. Relaxing Sounds
- f. Celebratory Sounds
- g. Loud Music

Step 5. Back of the box: Design a simple game inspired by the performance. It can be a puzzle, a word game, or any other fun activity that might be found on the back of a cereal box. Make sure it includes information from Philharmonia Fantastique.

Step 6. Bottom of the box: You decide! And don't forget to make it fun
